Welcome to the

**Mount Pleasant Christian School 28<sup>th</sup> Annual Auction**  
**March 16th, Starting at 9:02 a.m. (Doors open at 8:00 a.m.)**  
**Preview Night, March 15th, 5-7 p.m.**

Mount Pleasant Christian School, Inc., founded in 1993, is a private, non-denominational, non-profit Christian School providing Christian education, which offers a challenging program of study taught from God's perspective. With a student body of 62, MPCS supports students coming from different school district across Southeast Iowa and Missouri.

The teaching staff is of the highest caliber; both in ability to teach, and to minister to the needs of the students in their classrooms.

As an independent, non-profit school, Mt. Pleasant Christian School's expenses are not fully covered by tuition. Since the beginning, it has sought to raise funds to fill the gap. This is one of our largest fundraisers and this event helps families afford a Christian education.

We want to thank everyone who contributed so generously to this year's auction. We have tried not to omit any person or donation. More items may have come in after this book went to print, so it will be up to the discretion of the auction team to place them.

The Mt. Pleasant Christian School and the Auction Team THANK YOU for taking time out of your busy schedule and coming to support us today. We have prayed for each person attending and hope you will enjoy the day with us.

Serving Him,

The Auction Team

Train up a child in the way he should go; even when he is old he will not depart from it.

Proverbs 22:6

## **GENERAL AUCTION RULES**

1. All bidding at the auction will require a bid number.
2. MPCS is not responsible for any accidents.
3. You may pay for your items as you acquire them, or before you leave today. The cashier is located in the southeast corner of the foyer. All items must be paid for today.
4. All sales are final.
5. If you purchase a certificate for a service product, be aware of the stated parameters. Please use your certificates for the number of people or events intended before the expiration date.
6. All items, new or used, are sold "as is" and MPCS makes no representation of warranty of any kind with respect to these items or services. MPCS disclaims any responsibility or liability for the performance of any item offered at this auction.
7. Gift certificates may be picked up at the cashier table when you pay your tab.

## **Disclosure Requirements for Quid Pro Quo Contributions**

Effective for contributions made on or after January 1, 1994, charitable organizations must inform donors in writing that quid pro quo contributions in excess of \$75 are deductible only to extent they exceed the value of any goods or services provided by the charitable organization in return. For the purposes of this provision, quid pro quo contributions are defined as contributions and partly in consideration for the goods and contributions are defined as contributions and partly in consideration for the goods and services furnished to the donor. The term excludes any payments made to an organization organized exclusively for religious purposes in return for which the taxpayer received solely an intangible religious benefit generally not sold in a commercial transaction outside the donatives context.

Typically, quid pro quo contributions are made in connection with charitable fundraising events, such as charity golf tournaments, auctions, theater events, dinner dances, and similar events, where part of the payment constitutes as contribution.

In connection with the solicitation or the receipt of quid pro quo contribution, charitable organizations must provide a written statement that: (1) informs the donor that the amount of the contribution deductible for federal income tax purposes is limited to the excess of the amount of money or property contributed over the value of the good faith estimate of the value of such goods or services. Disclosure statements may be made in any reasonable manner likely to come to the attention of the donor. Thus, disclosure statements may be placed on solicitation materials, event programs, tickets, etc.

When you pay for your auction items today, you will receive a ticket for each item that you have purchased. The ticket will show what you paid for each item. The excess that you pay over the fair market value is your donation. You will need to keep these receipts for your **2023** tax return. Your own tax advisor can answer any further questions.

## NEW NEEDS...

### Carpet for Library

1

We put carpet in the adjoining computer room to the library recently. It's amazing and we would like to carry it on into the library for a sound buffer. Libraries should have quiet floors!  
Approx.: \$2,700

### Redo the Guys & Gals Restrooms

2

Our student bathrooms are in dire need of some functional updating. We will start in the boys' room and do what needs to be done. Any extra will be applied in the girls' room to start improving that space as well.  
Approx.: \$5,000
